

At The Rock we support several missionaries and their families. Below you will find their testimonies and prayer requests that they wanted to share with **you**, their church family. We invite you to celebrate and pray with us all month long. To find out more, visit therockmissions.com

KEVIN & JESSICA HARKINS
Training leaders and making disciples in the South Pacific

Praise Reports: While the Missions Immersion team was in Fiji the power of God poured out for many healings and salvations during the daily house to house ministry as well as nightly crusades. We are seeing great synergy in our house church towards evangelism and discipleship as well as several salvations recently. Andrew received his work visa and is currently looking for employment.

Prayer Requests: Pray that the Lord would continue to build confidence in our house church members for being disciple makers in the communities they are a part of. For more open doors into the community where we can be light and salt for Jesus as well as relationships with people of peace whom we can disciple. For God's direction and blessing over preparations for our Thanksgiving outreach event.

JOHN & DEBBIE BOOKER
Making disciples in the Caribbean

Praise Reports: After returning from our FMI Retreat in the Dominican Republic we headed into a season of physical restoration. I (John) had a great prognosis after a recent brain surgery, with great recovery and therapy—now we're looking ahead to more outdoors, mission trips and more—praise God!

Prayer Requests: Pray with us for Foursquare Haiti, and the work that God wants to do there. Please also pray for Cuba, and for the successful launch of Jesus Disciple and outreach there. Pray also for the Caribbean leaders in other nations to bring Jesus Disciple there. Thank you for praying—it changes things!

TIMOTHY & BARBARA ODOM
Making disciples in the Caribbean

Praise Reports: We've had many opportunities to meet with the students one on one for ministry, and they are opening up and sharing with us. One of our students was in dire need of an internship in order to graduate, and God answered that prayer with a business right here in our community! Tim has one cancer spot completely gone and 5 other spots are much smaller—healing is his!

Prayer Requests: One of our new students this year is from Japan and comes from a Buddhist home and is now attending Bible Study in our home and coming to special events with us. God is giving us an open door to plant the seed of the Word and watch it grow. She's coming to Jesus! Please pray for students that are floundering spiritually and feeling distant from Jesus—He's calling them closer!

MIDDLE EAST

Reaching people in the Middle East
(names redacted)

Praise Reports: We are excited because the Lord continues to open doors and move in the hearts of people we interact with on a daily basis.

Prayer Requests: Please pray for this team's family and children, as they are in school locally, for safety and protection. Pray for God's direction and blessing as they all do school, work, ministry, and home life. Pray for favor in their work situations, for God to continue to open doors and give them strategy to reach many for Christ, and for the provision and partnerships they need.

Praise Reports: The tenth Young Adults Arise Camp was an ANOINTED time! The students prayed for a woman to be healed from cancer and two weeks later her X-rays show that she is cancer free!! Monique was also hired as the FMI Deployment Training Coordinator.

Prayer Requests: Our son Aidan and his wife Savannah will be installed as the lead pastors on the Southside of Billings, MT. Please pray for the preparation for the Sherman Indian Boarding school Friendsgiving event, for the volunteers we need, and also for the financial course and planning of the Business as Missions Flee Market.

YASEER & MONIQUE HANDALL

Discipling people in Native American Reservations across the United States

ELENA RAZO

Leading ministry in a prison and a local church in Guaymas, Mexico

Praise Reports: This past Friday there were four water baptisms in the prison! Three were planned and the last inmate was so touched by the message that he decided to get baptized that day! This past Saturday we also hosted a women's event with a special guest and had a blessed time with the 26 ladies who attended.

Prayer Requests: Pray to the Lord of the harvest for more missionaries to go into the mission field, especially to Guaymas, Mexico. We continue to believe for a minivan to transport people to and from the church.

PRAYER

Heavenly Father, we lift up our Rock Missions family to you right now. We pray that you would provide all that they need (Philippians 4:19) and that you would strengthen them so that they will not grow weary, but will reap a great harvest (Galatians 6:9). We thank you for the amazing plans that you have for them (Ephesians 2:10), and the harvest that you have called them—and us—to (Matthew 28:18-20).

We ask that you would continue to watch over them day and night, shield them from any dangers, and hide them from the plans and schemes of the enemy (Psalm 3, 23, 91). We ask for your favor, to grant them access to key places You know they need to be in, and to open doors for them that only You can (Revelation 3:7). We ask this in the mighty name of Jesus—Amen!
