

At The Rock we support several missionaries and their families. Below you will find their testimonies and prayer requests that they wanted to share with **you**, their church family. We invite you to celebrate and pray with us all month long. To find out more, visit therockmissions.com

KEVIN & JESSICA HARKINS

Training leaders and making disciples in the South Pacific

Praise Reports: Our Missions Immersion team just completed an amazing trip to the Foursquare young adult retreat where they were a blessing and received fresh encouragement. We are seeing great synergy in our house church towards evangelism and discipleship as well as several salvations recently. The Lord has been leading us with a fresh vision for a new season of ministry ahead that we are very excited for which will better train and release more young adults to launch more Jesus Disciple groups.

Prayer Requests: For the Lord to lead us with wisdom in bringing about the fresh new vision he has given us. For more open doors into the community where we can be light and salt for Jesus as well as relationships with people of peace whom we can disciple. For open doors to reach more youth so we can launch Jesus Clubs.

JOHN & DEBBIE BOOKER

Making disciples in the Caribbean

Praise Reports: John recently had surgery that went well, and he is recovering strength for more missions trips and outreach in the future—thank you for your prayers!

Prayer Requests: In Cuba, after damaging hurricanes and a 6.8 earthquake, they are asking for teams to come with Jesus Disciple who can also do outreach to these wonderful but isolated people and churches. We're also praying for how to engage Jesus Disciple as best as possible. On the home front, please pray for health, provision and favor with the opportunities we need to take. Thank you for praying – it changes things!

MIDDLE EAST

Reaching people in the Middle East (names redacted)

Praise Reports: In early November our mentors visited us and our team. They offered encouragement, insight and equipped us to move forward with several key strategic initiatives. Their visit was a time of refreshing and renewal filling us with vision and focus for the work ahead. While it was bittersweet to see them leave, we are deeply grateful for their impact and God's provision through their visit.

Prayer Requests: Please pray for favor with both spiritual and secular regional leadership as we navigate opportunities to share the Gospel with more people in meaningful and transformative ways. Pray for our family's health and strength, so we can continue meeting with local "peace-seekers" and sharing the love of God. Pray also for our children—both at school and during interactions with other families—that they experience protection, peace, and the joy of the Lord. Please pray that the Lord opens the eyes of the local people to recognize their need for Jesus Christ as the true source of hope and salvation.

TIMOTHY & BARBARA ODOM

Making disciples in the Caribbean

Praise Reports: A young man was saved in the first bible study he attended with us and is pursuing a solid life—he’s called us a few times to pray with him so that he doesn’t fall into the “party lifestyle” so many seem to do. Other new international students, many from Central America, have been opening up to us for ministry and connection.

Prayer Requests: Please pray with us concerning two of our granddaughters who are coming to visit us in December—we’re believing for restoration in their relationship with God. Please also pray for Tim’s health, and for godly connections for Barbara.

YASEER & MONIQUE HANDALL

Discipling people in Native American Reservations across the United States

Praise Reports: Our son Aidan and his wife Savannah were installed as the lead pastors in the Southside of Billings, MT. The Sherman Indian Boarding school Friendsgiving was a blessed time. We have a Tepee to serve as an indoor coffee area for our BAM (Business As Mission). We went to North Carolina to check on the Eastern Cherokee and made contact with the Lumbee Tribe.

Prayer Requests: Please pray for a restful time during Christmas with the family, and for God’s direction as we plan for the 2025 year.

ELENA RAZO

Leading ministry in a prison and a local church in Guaymas, Mexico

Praise Reports: We began a discipleship study at a rehab center where we have been holding bible studies for two years. In the prison, the Christians continue to evangelize daily, and the services and the weekly water baptisms are always powerful and a blessed time for the inmates and visitors. People continue to receive Jesus in the ministry, both inside and outside of the prison. Praise God!

Prayer Requests: We will be having our annual Christmas dinner for both congregations inside and outside the prison. It will be a time of giving thanks for all that the Lord has done. May His will continue to be done in our lives, the ministry and all we put our hands to.

PRAYER

*Heavenly Father, we lift up our **Rock Missions** family to you right now. We pray that you would provide all that they need (Philippians 4:19) and that you would strengthen them so that they will not grow weary, but will reap a great harvest (Galatians 6:9). We thank you for the amazing plans that you have for them (Ephesians 2:10), and the harvest that you have called them—and us—to (Matthew 28:18-20).*

We ask that you would continue to watch over them day and night, shield them from any dangers, and hide them from the plans and schemes of the enemy (Psalm 3, 23, 91). We ask for your favor, to grant them access to key places You know they need to be in, and to open doors for them that only You can (Revelation 3:7). We ask this in the mighty name of Jesus—Amen!
