

At The Rock we support several missionaries and their families. Below you will find their testimonies and prayer requests that they wanted to share with **you**, their church family. We invite you to celebrate and pray with us all month long. To find out more, visit [therockmissions.com](http://therockmissions.com)

**ELENA RAZO**

*Leading ministry in a prison and a local church in Guaymas, Mexico*

**Praise Reports:** We are currently building a room for the youth so they can have their own room during church services, and discipleship continues going strong at La Roca de Cristo inside and outside the Prison as well as at the Rehab Center. La Roca de Cristo Empalme is preparing for and will be starting church services very soon. GOD IS GOOD!

**Prayer Requests:** Please pray for leaders in the church to rally the congregation to go out and pray for different parts of the city on a regular basis and take more territory for the Kingdom of God.

*Training leaders and making disciples in the South Pacific*

**Praise Reports:** Our Mission's Immersion team had their first Jesus Club meeting at a high school in the city of Motueka with 20 youth in attendance. We have started to see growth in our movement as we have multiplied from one micro church to three with more on the way.

**Prayer Requests:** Pray for wisdom and guidance as we pursue the new vision God has given, along with open doors and key relationships in the community for discipleship. Pray for favor over Jesus Clubs to expand into more high schools. Pray for the Missions Immersion Team's trip to Palau, that both the team and the people of Palau would be prepared and receptive to the Gospel.

**YASEER & MONIQUE HANDALL**

*Discipling people in Native American Reservations across the United States*

**Praise Reports:** We will have two interns for our BAM coffee shop. Yaseer had an opportunity to visit Alaska natives and help fish for the elders. Monique's short-term Mission trip out of the country went well.

**Prayer Requests:** Please pray for the team going to the Arizona Reservation, for the missions leader connection in the Cherokee Reservation in North Carolina, and the missions conference in Utah.

## MIDDLE EAST

Reaching people in the Middle East  
(names redacted)

**Praise Reports:** The family is grateful for God's faithfulness as they adjust to a new season, and they are seeing His provision in their children's schools, professional connections, and personal relationships. Work has opened doors in the business community and has also led to deep conversations with locals about life and faith. We continue to experience God's care through financial support, divine appointments, and encouragement from our support network.

**Prayer Requests:** Please pray for the children to thrive and be a light at school, for the family's health and protection, and that we would build meaningful, Gospel-centered connections through work and friendships. Pray for God's provision, wisdom, and boldness as we follow the Spirit's leading in ministry. Pray that our home would be a place of God's presence and that people in their region would come to know Jesus as their true peace and security.

**TIMOTHY & BARBARA ODOM**  
*Making disciples in the Caribbean*

**Praise Reports:** Praise God that one of our disciples has started a Bible Study in his dorm. One of our young women has done two outreaches inviting friends to partner with her.

**Prayer Requests:** Please also pray that we have effective ministry as we teach Jesus Disciple on Tuesdays at a college near by—and that students will come and adjust to the new schedule.

## JOHN & DEBBIE BOOKER

Making disciples in the Caribbean

**Praise Reports:** God continues to move around the world and we see more and more disciples being made.

**Prayer Requests:** Please continue to pray for Haiti, and that God would open new doors of ministry there. Please pray for our upcoming trip to Cuba to take Jesus Disciple (currently schedule in November). Please also pray that in Cuba Jesus Disciple would spread despite a lack of technology devices. Please pray for what God is doing in the Caribbean—so many opportunities.

connection gathering!

*Heavenly Father, we lift up our **Rock Missions** family to you right now. We pray that you would provide all that they need (Philippians 4:19) and that you would strengthen them so that they will not grow weary, but will reap a great harvest (Galatians 6:9). We thank you for the amazing plans that you have for them (Ephesians 2:10), and the harvest that you have called them—and us—to (Matthew 28:18-20). Continue to watch over them day and night, shield them from any dangers, and hide them from the plans and schemes of the enemy (Psalm 3, 23, 91). We ask for your favor, to grant them access to key places You know they need to be in, and to open doors for them that only You can (Revelation 3:7). In Jesus' name—Amen!*
